### EDUCATION

Ph.D., 2013, Sociology and Community & Environmental Sociology, University of Wisconsin – Madison  
Ph.D. Minor in Conservation Biology and Sustainable Development  
M.S., 2007, Natural Resources, University of Michigan – Ann Arbor  
Graduate Certificate, 2005, Chinese Studies, Johns Hopkins – Nanjing University Center for Chinese and American Studies  
B.A., 2003, Sociology and East Asian Studies, Vanderbilt University

### PROFESSIONAL APPOINTMENTS

2016-Present	Assistant Professor	Development Sociology, Cornell University
2017-2020	Guest Professor	Yunnan University
2013-2016	Postdoctoral Research Associate	Institute at Brown for Environment and Society, Brown University

### RESEARCH AND TEACHING INTERESTS

Environmental Sociology, Development and Globalization, Contemporary China, Rural Livelihoods, Community, Agriculture, Land Use Change, Qualitative Methods, Spatial Data Analysis, Mixed Methods

### RESEARCH FUNDING

#### EXTERNAL FUNDING

Science, Engineering, and Education for Sustainability Fellows National Science Foundation. Project: <i>Interacting Effects of Public Policy and Cash Crop Expansion on Forest Conservation</i> . Principal Investigator. Total grant: \$443,935.	2014-2018
East Asia and Pacific Summer Institutes National Science Foundation, American Society for Engineering Education. Amount: \$5,000 research stipend plus travel costs.	2010
Rural Sociological Society Dissertation Research Award Rural Sociological Society	2010
Dissertation Proposal Development Fellowship Social Science Research Council. Amount: \$5,000 research funds plus travel costs.	2009
Integrated Graduate Education and Research Traineeship National Science Foundation	2007-2011

## INTERNAL FUNDING

Innovation Grant	2019
Cornell China Center, Cornell University	
ISS Small Grant	2018
Institute for the Social Sciences, Cornell University	
Linkage Grant	2011
Biodiversity Conservation and Sustainable Development in Southwest China IGERT, UW.	
Foreign Language and Area Studies Scholarship	2009
Center for East Asian Studies, University of Wisconsin-Madison	
Evelyn Crowe Travel Scholarship	2008
Department of Rural Sociology, University of Wisconsin-Madison	
University Fellowship	2007
Department of Sociology, University of Wisconsin-Madison	
Alumni Incentive Internship Grant	2006
School of Natural Resources and Environment, University of Michigan	
CCS Research Fellowship	2006
Center for Chinese Studies, University of Michigan	
International Institute Individual Fellowship	2006
International Institute, University of Michigan	

## AWARDS AND HONORS

Kolb Award, awarded annually to an outstanding department graduate	2013
Department of Community and Environmental Sociology, University of Wisconsin	
Phi Beta Kappa National Honor Society	2003
Vanderbilt University	
Jesse Wills Scholarship	1999
Vanderbilt University

## CONFERENCES, WORKSHOPS, AND PRESENTATIONS

### CONFERENCE AND PANEL ORGANIZING

*Rolling Out Ecological Civilization: The Mixed Promise of Rural Transformations in China*. Panel, co-organized with Tami Blumenfeld. Association for Asian Studies Annual Conference, Toronto, Ontario, Canada, 17 March 2017.

*Recasting the Rural: China's Transformation in a Global Context*. Conference and themed journal issue workshop. Watson Institute for International Studies, Brown University, Providence, RI, 12-13 February 2015.

### SELECTED CONFERENCE PRESENTATIONS

Taking Hold of the Anthropocene: Authoritarian Ecomodernism and China's Project of Constructing Ecological Civilization. Association for Asian Studies Annual Conference, Denver, Colorado, 23 March 2019.

Explaining Heterogeneous Afforestation Outcomes: How Community Officials and Households Mediate Tree Cover Change in China. Sustainability & Development Conference, Ann Arbor, Michigan, 11 November 2018.

(with Shrey Kapoor) Metabolic Fractures: How Household Livelihood Practices Differentiate Agricultural Input Use in Southwest China. Obstacles to Development: 7th Annual Sociology of Development Conference, Urbana, Illinois, 20 October 2018.

Ecological Civilization in the Mountains: Discourse and Practice in China's Walnut Boom and Bust. Annual Meeting of the American Sociological Association, Philadelphia, Pennsylvania, 12 August 2018.

Households, Communities, and Landscapes: Spatial Distribution of Land Cover Change in Southwest China. International Symposium on Society and Resource Management, Snowbird, Utah, 19 June 2018.

Too Dear to Eat: The Changing Place of the Walnut in Northwest Yunnan. Association for Asian Studies Annual Conference, Toronto, Ontario, Canada, 17 March 2017.

The Double Game: Formal Designation and Informal Practice within China's Collective Forest Tenure Reform. International Studies Association Annual Conference, Baltimore, Maryland, 25 February 2017.

Community Characters: How Local Officials Mediate Development and Environmental Change in China. Annual Meeting of the American Sociological Association, Seattle, Washington, 22 August 2016.

How Community Officials Mediate Policy Implementation, Community Development, and Environmental Change in Southwest China. Annual Meeting of the Association for Asian Studies, Seattle, Washington, 2 April 2016.

There's More Going On: Explaining Local Variation in China's Conversion of Cropland to Forest Program. XIV World Forestry Congress, Durban, South Africa, 8 September 2015.

On-the-Ground Surprises in China's Collective Forest Tenure Reform. Land and Water Conference. Brown University, Providence, Rhode Island, 5 September 2015.

Dual-Function Forests and the Flexibility of Environmental Policy in China. Annual Conference of the Association of American Geographers. Chicago, Illinois, 23 April 2015.

Wrangling with Weak Institutions: Communities, the State, and Divergent Landscape Transformations. SocDev 2015: Conference of the Section on Development of the American Sociological Association, Providence, Rhode Island, 14 March 2015.

Ecological and Social Impacts of Dual-Purpose Afforestation: Initial Explorations. Conference of the Ecological Society of China, Shenyang, Liaoning, China, 18 September 2014.

Moral Economies of Tourism and Environment in Himalayan Southwest China. Himalayan Studies Conference 2014, New Haven, Connecticut, 15 March 2014.

Impacts on Farm Activities of Varied Participation in Nature Tourism: Findings from Two Protected Areas in China. Rural Sociological Society 2013 Annual Meeting. New York, New York, 8 August 2013.

Impacts of Tourism on Rural Livelihoods and Inequality Depend on How Tourism Is Organized: Findings from Two Protected Areas in China. Conference of the Development Section of the American Sociological Association. Charlottesville, Virginia, 2 November 2012.

How Tourism Affects Resource Use and Inequality: Evidence from Two Protected Areas in China. Association for Environmental Studies and Sciences Conference. Santa Clara, California, 22 June 2012.

How Growth Coalitions Coalesce around Nature Tourism in China. Annual Conference of the Association of American Geographers. New York, New York, 24-28 February 2012.

Taking an Idea and Running with It: How Tourism Development Affects Resident Welfare and Biodiversity Conservation in Southwest China. Rethinking Development: Debating New Directions in a Time of Crises. Ithaca, New York, 10-12 November 2011.

Changing Places: Conservation Organizations and the State in Southwest China. Association for Environmental Studies and Sciences Annual Meeting. Madison, Wisconsin, 8-12 October 2009.

Migrant Workers, Rural Safety Nets, and Social Hierarchies in Jiangxi Villages. Breaking Down Chinese Walls: The Changing Faces of Labor and Employment in China. Ithaca, New York, 26-28 September 2008.

Migrant Cosmopolitanism and Change in Rural China. Beijing International Conference on Environmental Sociology. Beijing, China, 29 June-1 July 2007.

#### *INVITED TALKS*

Ecological and Social Impacts of Tourism and Forest Recovery: The Importance of Multilevel Comparison (旅游开发与森林回复的生态、社会经济效益:多层次对比的必要性). Ecotourism Faculty, Southwest Forestry University, Kunming, China, 18 December 2014.

Transforming the Countryside: Land Management Programs, Communities, Livelihoods, and Landscapes (农村转变: 土地管理工程、社区、生产生活方式和景观生态). Institute of Ecology and Geobotany, Yunnan University, Kunming, China, 13 June 2014.

## **TEACHING**

### *GRADUATE COURSES*

Fundamentals of Environmental Sociology  
Risk and Disaster

Spring 2014, 2018  
Spring 2019

### *UNDERGRADUATE COURSES*

Environmental Sociology	Spring 2017, 2018, 2019
Spatial Thinking, GIS, and Related Methods	Fall 2018
Introduction to Community & Environmental Sociology	Spring 2013
Ethnic and Racial Movements in the United States (Teaching Assistant)	Spring 2012
Survey of Sociology (Teaching Assistant)	Fall 2011

### **SCHOLARLY AND PROFESSIONAL ACTIVITIES**

#### *JOURNALS REVIEWED FOR*

American Journal of Sociology	Human Ecology
Asian Ethnicity	International Forestry Review
Biodiversity and Conservation	The Journal of Peasant Studies
Biological Conservation	Land Use Policy
Canadian Journal of Development Studies	Plant Diversity
Conservation Letters	Sociology of Development
Environmental Management	Transactions of the Institute of British Geographers
Geoforum	World Development
Global Environmental Change	
Himalaya	

#### *AD HOC PROPOSAL REVIEW*

REU Sites: Local Governance and Public Welfare in Northwest China, National Science Foundation. 2010

#### *CONSULTING*

Project evaluation of UNESCO World Heritage Centre and The Nature Conservancy project, Promoting Conservation through Sustainable Local Tourism Development at World Heritage Sites. 2010.

#### *PROFESSIONAL AFFILIATIONS*

American Sociological Association  
sections on Environmental Sociology; Development; Asia and Asian America; Science, Knowledge, and Technology  
Policy and Research Chair, ASA Section on Environmental Sociology, 2018-2020

Rural Sociological Society  
Research Interest Groups: Natural Resources, Sociology of Agriculture and Food, International Development

Association for Asian Studies  
International Association for Society and Natural Resources

PARTNERS (People And Reforestation in the Tropics: a Network for Education, Research, and Synthesis)  
Research Coordination Network

### **LANGUAGE SKILLS**

Professionally fluent in Mandarin Chinese; converse, write, and conduct research in Chinese.

### **CAMPUS INVOLVEMENT**

Environment & Sustainability Curriculum Committee, Environmental Policy & Governance Concentration Chair	2019-Present
Fulbright Committee, East Asia Program, Cornell University	2018-Present

Faculty Senate, Cornell University	2017-2018
Steering Committee, Polson Institute for Global Development, Cornell University	2016-Present
Faculty Fellow, David R. Atkinson Center for a Sustainable Future	2016-Present
International Professor, CALS International Programs	2016-Present
Graduate Associate, Center for Culture, History, and the Environment, UW-Madison	2009-2013
Teaching Assistants Association, American Federation of Teachers Local 3220	2011-2013
Graduate Student Department Meeting Representative, Sociology, UW-Madison	2007-2008

**COMMUNITY AND VOLUNTEER WORK**

350 Madison & Climate Action 350-UW, Madison, Wisconsin	2012-2013
Founding member of student chapter of 350.org at University of Wisconsin-Madison.	
Madison Community Cooperative, Madison, Wisconsin	2007-2008
Member, Board of Directors.	
Inter-Cooperative Council, Ann Arbor, Michigan	2006-2007
President, O’Keeffe House; member, Board of Directors and Major Maintenance Committee.
